- \*Several Boys & Girls played for more than one age group or team.
- +The Match Programme Summary includes ALL scheduled Matches whereas the individual statistical information **excludes** some friendlies and those against Schools.
- . Match details are available on [www.cheshirecb.play-cricket.com](http://www.cheshirecb.play-cricket.com) which includes a statistical package of all individual and team performances upon which most of the information contained in this report is based. Unfortunately, when teams field 13 and sometimes 14 players, the play-cricket website cannot always accommodate certain scenarios in the scorecard details shown on the website and whilst our Results Administrators have done their best some names may not have been included or recorded as 'unsure'.
