## WE NEED YOUR HELP PLEASE GIRLS CRICKET LEAGUES 2024

As we continue to try and grow the game of cricket for all we are looking to help develop more opportunities for girls cricket to take place across Cheshire.

There is a well established EAST Cheshire Girls Cricket League (CGCL) and we are looking to reignite the rest of the county.

If you and your club are interested in knowing more or getting involved in establishing more opportunities for Girls cricket clubs, please get in touch with your DCO and Jess [jessica.lewis@cheshirecricketboard.co.uk](mailto:jessica.lewis@cheshirecricketboard.co.uk)

## PERIOD DIGNITY

The ECB and Initial are supplying In Cubicle Period Dignity Dispensers to ECB affiliated cricket clubs with a girls' section in England and Wales, along with the servicing of period waste bins - free of charge. The deadline is 30th October.
