

Grounds Vacancy – Lindow CC all sites – Nov 2025

Squares and Outfield.

Lindow CC is looking to expand its grounds staff to meet the increasing needs of a growing club - an additional square at Upcast Lane and extra playing demand across all sites.
(Number of teams and squares or fixtures here)

Looking for a groundsperson (with experience) to lead a site, with guidance, and contribute to a committed team of voluntary and paid staff to manage grounds in a dynamic and progressive environment.

Hours and remuneration are flexible for good candidates. Experience of Boughton Club and Boughton County is a plus, but energy and a can-do approach is a must. You will be supported in your development.

Salary will be competitive, working around the weather, an enthusiastic progressive team, and good equipment and systems.

Pitch rotation and renovation regimes are important - and a high level of guidance and support will be provided.

Interested parties should send a simple e-mail outlining experience and other commitments to: enquiries@lindowcc.co.uk
