# How to register for access to WTU

1. Access the WTU site [https://www.whostheumpire.com/index.php](https://www.whostheumpire.com/index.php)
2. Click the register button at top right.
3. On the next page select Cricket as your Sport and select Club Officiating as the option that best suits your role.
4. Select **Cheshire Cricket League** as your organisation.  Populate the required information and PROCEED. The platform will send an email to you at the email address you supplied. This email will have the subject "Verify your email". If the platform is busy this email may take a few moments. If it doesn't arrive do check your spam/junk folders as registration emails are notorious for getting trapped by spam/junk filters.
5. Input your verification code and PROCEED.
6. Once you have registered successfully you will need to wait for the administrator to approve your registration and give you access rights.
7. Once you have been authorised you will then be required to set your password. You cannot log into the system until you are authorised, and you have set a password.

Once you have completed the registration process you will be good to go and can update your availability for matches.
